

Accident Checklist

https://www.dmv.ca.gov/portal/dmv/detail/pubs/hdbk/idt_accidents

- Get help for the injured
- Call the police. Remain at the scene of the accident.
- Warn oncoming traffic. Set hazard lights and flares.
- Try to remain calm.
- Do not admit fault.
- Exchange names, addresses, emails, phone numbers, makes of vehicles, driver's and vehicle license numbers, and insurance company/policy number information with all drivers.
- Get names, addresses, emails, and phone numbers of all passengers and witnesses.
- Sketch the accident (see diagram).
- Examine and record damage to other vehicles and property.
- If you are carrying a camera, take pictures of the scene and damage.
- Do not discuss the accident or sign any documents. Only answer questions asked by police and your Safeco claim representative.
- Call Your claim representative who will ask you some questions about the accident and will begin the claim resolution process immediately.

Diagram

Identify the vehicles and use an arrow to depict the direction the vehicles were traveling.
